MEMORANDUM FOR: [REDACTED]

25X1A

THROUGH : Director of Training

SUBJECT : Drop Zone for Live Parachute Jumps

1. The Office of Special Activities (OSA), Life Support Branch, requires a drop zone on the East Coast to conduct a limited number of live free falls from altitudes of 3,500 to 4,000 feet AGL. The jumps are to be made in order to check minor modifications to existing life support equipment. The tentative date is late April or early May.

2. Two Air Force detailees to the Agency will participate in the above program. They are [REDACTED]

25X1A

b. [REDACTED] a Master Parachutist currently on jump status who is also a FAA-licensed parachute rigger. [REDACTED] will be the only person to make parachute jumps. He has been to [REDACTED] within the past year.
